

Filipe Carvalho

CYBERSECURITY ANALYST

About me

I'm 22 years old and I'm from Portugal. Currently I work in cyber defense in the Portuguese Army. During this course I had the opportunity to deal with several areas where I acquired many skills. In my free time I like to take courses on TryHackMe and HackTheBox but I also love doing sports, such as Jiu Jitsu, Boxing, Volleyball where I was able to develop a better team spirit.
